A screenshot of a Trello board titled "RPLL - Restaurant". The board is organized into four columns: "Back Log", "To Do", "On Progress", and "Done". The "Back Log" column contains two cards: "Pemeliharaan" (with assignees AS, JT, RD, SI) and "Perbaikan". The "To Do" column contains four cards: "Pembuatan Fitur Program", "Penentuan Table Database", "Insert Data (Employee, Menu, Inventory)", and "Pembuatan Class". The "On Progress" column contains two cards: "Perancangan Alur/ Flow UI (Perancangan UX)" (assigned to SI) and "Perancangan Class Diagram (Detailed)". The "Done" column contains three cards: "Perancangan Usecase", "Pemilihan Design Pattern", and "Perancangan Program". Each column has a "+ Add another card" button at the bottom. The background of the board is a photo of a coffee shop interior with a chalkboard menu.
